

INFRASTRUCTURE TOOL KIT

一帶一路基建錦囊

Facilitating projects along the Belt and Road

助你落實一帶一路基建項目

The Infrastructure Tool Kit offers one-stop solutions to help realise Belt and Road infrastructure projects.

It provides practical guides to governments, project owners and investors, and connects them with Hong Kong services providers to forge the right partnership at key stages of infrastructure projects.

一帶一路基建錦囊是助你實現一帶一路基建項目的一站式方案平台，不但為政府、項目擁有人和投資者提供實用指南，並於基建項目周期的主要階段，為其連繫香港專業服務供應商，推動一帶一路合作。

Key stages 主要階段

Market assessment and project selection
市場評估與項目甄選

Feasibility assessment
可行性評估

Risk planning and procurement
風險規劃與採購

Financing and insurance
融資與保險

Design and construction
設計與建造

Operations
營運
